

HYTHERM

SILENCE

Introducing Hytherm Silence, the perfect solution for those who seek both energy efficiency and peace and quiet.

Building on the exceptional thermal performance of the Hytherm range, Hytherm Silence incorporates a layer of acoustic laminated glass to significantly reduce outside noise, creating a more tranquil indoor environment. Ideal for homes or buildings in noisy areas, it provides the benefits of excellent thermal insulation while enhancing comfort by minimising sound transmission.

With Hytherm Silence, you can enjoy a quieter, more energy-efficient space, all year round.
